FOR IMMEDIATE RELEASE

Railroad Crossing Work on N-10 in Minden

November 21, 2017 (McCook, Neb.) — Burlington Northern Santa Fe Railroad will be removing and reinstalling the grade crossing on N-10 in Minden, beginning Monday, December 4, according to the Nebraska Department of Transportation.

This work will require closing N-10 at the junction of US-6/34 with a marked detour in place. It is anticipated N-10 will be reopened the evening of December 4.

The Department's project manager is Kelly Doyle of McCook. Motorists are asked to drive cautiously through construction zones, along detours and selected alternate routes.
