## FOR IMMEDIATE RELEASE

### Information Open House January 23 for Improvements on N-370 in Sarpy County

January 9, 2018 (Lincoln, Neb.) — The Nebraska Department of Transportation (NDOT) will hold an information open house January 23 regarding proposed improvements to the intersections of Nebraska Highway 370 (N-370) with 66<sup>th</sup> Street and 60<sup>th</sup> Street in Sarpy County. The open house will be held from 5:00-7:00 p.m. at Hillcrest Country Estates-Grand Lodge, 6021 Grand Lodge Avenue, in Papillion.

The proposed project would add traffic signals at the intersection of N-370 with 66<sup>th</sup> Street at approximately mile marker (MM) 11.91, widen pavement to provide additional turn lanes and modify street lighting. Planned construction at the intersection of N-370 with 60<sup>th</sup> Street would construct a raised island median at approximately MM 12.42 to allow right-turns only onto N-370. Lighting and utility modifications are also planned.

Construction is tentatively scheduled to begin summer of 2019 and be complete by fall of 2019. The proposed construction on N-370 would be constructed under traffic with lane closures controlled with approved traffic control; however, pavement replacement and widening on 66<sup>th</sup> Street would require a designated detour on city streets.

Additional project information will be provided at the public meeting. Personnel from the Department of Transportation and Sarpy County Public Works will be available to answer questions, receive comments, and discuss any aspect of the proposed highway improvement project. Information regarding the project will be available after the meeting on the NDOT website [www.dot.nebraska.gov/projects/future-projects/](http://www.dot.nebraska.gov/projects/future-projects/) by clicking on the "N-370 66<sup>th</sup> – 60<sup>th</sup>" link.
