FOR IMMEDIATE RELEASE

Maintenance Work on US-283 ~~East of Eustis~~

February 5, 2018 (McCook, Neb.) — Weather permitting, a crack sealing project will begin February 7 on US-283, according to the Nebraska Department of Transportation.

State maintenance forces will be performing the crack sealing operation on US-283 from Reference Post 48 to Reference Post 55 (Platte River bridge to Johnson Lake). The work is anticipated to take approximately 10 days. Traffic will be maintained using flaggers and a pilot vehicle.

Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
