FOR IMMEDIATE RELEASE

Work to Resume on US-6 at Ashland

March 13, 2018 (Lincoln, Neb.) — Weather permitting, work is scheduled to resume March 15, from Ashland to the Platte River on US-6, according to the Nebraska Department of Transportation.

Constructors Inc. of Lincoln, Nebraska, has the \$4.5 million project. Construction will continue with rehabilitation of the bridge over Salt Creek, guardrails, and storm sewer work. Temporary lane closures with flaggers and temporary traffic signals will be in use. The project is anticipated to be completed August 2018.

The Department's project manager is Brian Schoen of Lincoln. Motorists are asked to drive cautiously through construction zones, along detours and should expect delays.
