Pete Ricketts, Governor

FOR IMMEDIATE RELEASE

I-80 Reconstruction Continues in Deuel County

March 20, 2017 (Gering, Neb.) — Interstate Highway Construction Inc., of Englewood, Colorado, and the Nebraska Department of Roads continue reconstruction on the eastbound and westbound lanes of I-80, between Nebraska Highway 27 (N-27) and the South Platte River. The eight-mile, multi-phase project begins one-half mile west of N-27 and extends eastward to the South Platte River.

As part of the reconstruction, weather permitting, County Road 189 in Deuel County, Nebraska, will be closing on April 3 for bridge reconstruction. The closure will extend from the south at County Road 4 and north to County Road 8. It is anticipated that the road closure will remain in place until June 30.

The Department of Roads' manager of this project is Rick Schmunk of Gering. Motorists are urged to drive cautiously through highway work zones and along selected alternate routes.
