# Phasing Change

## Fairview Road Closure

This is notice of a phasing change at Fairview Road between Fort Crook Road and the US-75 southbound on and off ramps. This change will speed completion of the project, cut temporary pavement costs, and lessen the continuing impact of this work to the motoring public. The closure will affect both eastbound and westbound traffic for 30 calendar days. When work is completed, Fairview Road will be opened until the Phase 4 closure, which is tentatively scheduled to begin in August 2018.
