NEBRASKA LAW ENFORCEMENT PLANNING PACKET NDOT Highway Safety Office

Packet Contents:

- Law Enforcement Letter
- Mini-Grant Application
- MIC Schedule and Survey Forms
- Activity Summary

Make it Click: it's about saving lives. In 2021 more than one person on average died per hour (11,813 total people) while not wearing seat belts in passenger vehicle crashes. More people die unrestrained in passenger vehicle crashes at night (6,491) than during the day (5,205). In addition, a higher percentage of fatalities that occur at night are unrestrained (57%) than during the day (43%).
