FOR IMMEDIATE RELEASE

Work to Begin on US-83, North Platte Area

April 30, 2018 (North Platte, Neb.) — Weather permitting, construction work will begin May 7 on US-83, in the North Platte area, according to the Nebraska Department of Transportation.

The project will include concrete pavement and curb repair, sealing cracks and joints, bridge repair and concrete inlet repair on US-83, from Reference Post 79.69 to Reference Post 85.91, on US-30 between Sycamore and Jeffers, from Reference Post 179.84 to Reference Post 182.14, and on L-56G from Reference Post 0.00 to Reference Post 1.99. Traffic will be maintained using lane closures and with flaggers. The project is anticipated to be completed by August 2018.

Motorists are reminded to drive cautiously through construction zones and to always buckle up.
