## FOR IMMEDIATE RELEASE

### Work to Begin on I-80, Kearney to Minden

April 30, 2018 (Grand Island, Neb.) — Weather permitting, work will begin Monday, May 7, on I-80 from Reference Post 272.25 to 279.50, according to the Nebraska Department of Transportation.

Iowa Civil Contracting, Inc., of Victor, Iowa has the \$1,769,753 contract. The project will include removing and patching deteriorated concrete pavement, sealing concrete joints, and sealing the surface of the old concrete pavement. Work will begin in the eastbound lanes of I-80, from Kearney Interchange to the Minden Interchange, then westbound from Minden to Kearney.

Traffic will be reduced to one lane, with a 12-foot width restriction and reduced speed. The project is anticipated to be completed by fall 2018.

The Department's project manager is Tom Farber of Kearney. Motorists are urged to drive cautiously in construction zones, and can expect delays.
