FOR IMMEDIATE RELEASE

Work to Begin on US-281, Eagle Creek North and South

March 30, 2020 (Ainsworth, Neb.) — Weather permitting, work will begin April 6 on US-281, 13 miles north of O'Neill, from Reference Post 196.88 to Reference Post 204.11, according to the Nebraska Department of Transportation.

Werner Construction Inc., of Hastings, Nebraska has the \$3,619,740 contract. Work will include bridge deck repair, concrete pavement repair, milling, asphalt paving and seeding. Single-lane traffic will be maintained with temporary traffic signals at Eagle Creek bridge, speed limit reduced to 35 mph and a 14-foot width restriction in place for the duration of the project. Traffic will be maintained with flaggers and a pilot vehicle for the milling and asphalt paving operations. Anticipated completion is fall 2020.

Motorists are asked to drive cautiously near construction zones and to expect delays.
