

US-6 AND ADAMS CENTRAL AVENUE INTERSECTION

June 2020

MISC-6-4(1025); US-6 and Adams Central Intersection; C.N. 42885

The Nebraska Department of Transportation (NDOT) is preparing for the construction of a roundabout at U.S. Highway 6 (US-6) and Adams Central Avenue outside of Hastings. NDOT has finalized the project design, with full construction scheduled to start in spring 2020.

Construction of the roundabout will occur in phases to minimize impacts to drivers and intersection access. To limit impacts to school traffic utilizing Adams Central Avenue, the contractor will attempt to limit Adams Central Avenue lane closures to the summer while school is out of session. Any Adams Central Avenue lane closures during the school year will be limited to the weekend. NDOT will communicate anticipated lane closures and detours to the public throughout construction. An overview of expected closures is summarized below.

Adams Central Avenue North of US-6

Adams Central Avenue will be closed from now until 6/30/2020*, reopen, and be closed again from 7/29/2020 to 8/9/2020*.

Adams Central Avenue Closed South of US-6

Adams Central Avenue will be closed South of US-6 during Phase 1, Stage 2 of construction from approximately May 21 to July 29, 2020*. Only local access to driveways will be permitted.

Private Drive Access

Local access to driveways is allowed during all phases of construction. The contractor will provide advance notice to property owners before any impact.

Adams Central School District

The construction schedule will be coordinated with the Adams Central School District to limit impacts on school activities. Construction will be substantially complete by the first day of school.

*CONSTRUCTION SCHEDULE SUBJECT TO CHANGE
