NDOT Project: MISC-6-4(1025) US-6 and Adams Central Intersection; C.N. 42885

Dear Citizen:

This letter is to inform you of updated information concerning the transportation improvement at US Highway 6 (US-6) and Adams Central Avenue in Adams County.

In light of COVID-19 and the resulting closure of Adams Central Schools, the traffic phasing plans have been re-evaluated. The Nebraska Department of Transportation (NDOT) and Werner Construction have collaborated and found a more efficient way to phase construction and maintain our commitment to have the intersection open before school starts in the fall. This plan would extend the road closure for approximately six weeks, from mid-May to the end of June, but ensure that Adams Central Avenue is open for the fall 2020 school semester. This would also reduce work by the contractor, resulting in a project cost-savings to be shared between NDOT and Adams County.

Any questions or comments regarding this project should be submitted to: Sarah Soula, External Affairs Manager, Nebraska Department of Transportation, P.O. Box 94759, Lincoln, NE 68509-4759; sarah.soula@nebraska.gov; (402) 479-4871. For further information, contact Wes Wahlgren, NDOT District 4 Engineer, (402) 385-6265, Wes.Wahlgren@nebraska.gov. Additional information regarding the project may also be found by visiting the NDOT website at <http://dot.nebraska.gov/projects/future-projects/> and clicking on the "US-6 and Adams Central Intersection" link.

NDOT has worked to minimize inconvenience and hardships in relation to this project. We are dedicated to improving Nebraska's highway system and with your help we can achieve this goal.

Sincerely,

Sarah R. Soula
