FOR IMMEDIATE RELEASE

Update on US-6 and Adams Central Avenue, Hastings Area

June 15, 2020 (Lincoln, Neb.) — In light of COVID-19 and the resulting closure of Adams Central Schools, the traffic phasing plans have been re-evaluated.

The Nebraska Department of Transportation (NDOT) and Werner Construction have collaborated and found a more efficient way to phase construction and maintain our commitment to have the intersection open before school starts in the fall. This plan would extend the Adams Central Avenue (north of US-6) road closure for approximately six weeks, from mid-May to the end of June, but ensure that Adams Central Avenue is open for the fall 2020 school semester. This would also reduce work by the contractor, resulting in a project cost-savings to be shared between NDOT and Adams County.
