## FOR IMMEDIATE RELEASE

### Maintenance Work on US-34 Between Seward and Lincoln

June 19, 2020 (Lincoln, Neb) — Weather permitting, a chip seal project will begin June 24 on US-34, according to the Nebraska Department of Transportation. Chip seal is an application of an asphalt binder to a roadway surface followed by an aggregate.

State maintenance forces will be performing a chip seal from Reference Post 301 to Reference Post 316 between Seward and Lincoln. The work is anticipated to take 4 days. One-lane traffic will occur with the use of a pilot car and flaggers. Speed will be reduced to 50 mph. Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
