FOR IMMEDIATE RELEASE

Maintenance Work Will Begin on L-80F Between I-80 and Utica

June 29, 2020 (Lincoln, Neb.) — Weather permitting, a chip seal project will begin July 1 on L-80F, according to the Nebraska Department of Transportation. Chip seal is an application of an asphalt binder to a roadway surface followed by an application of aggregate.

State maintenance forces will be performing the chip seal from Reference Post 0 to Reference Post 5, between Utica and I-80. Work is anticipated to take 2 days. One-lane traffic will be maintained with the use of a pilot car and flaggers. Speed limit will be reduced to 50 mph.

Motorists are reminded to drive cautiously in and near construction zones and to buckle up.
