FOR IMMEDIATE RELEASE

Maintenance Work Will Begin on US-136, Near Franklin

November 25, 2020 (McCook, Neb.) — Weather permitting, a crack seal project will begin November 30 on US-136, according to the Nebraska Department of Transportation. Crack sealing is a process of cleaning and filling open joints and cracks in the surface with sealant to prevent entry of moisture and debris.

State maintenance forces will be performing crack sealing from Reference Post 52.76 to Reference Post 64.35, near Franklin. The work is anticipated to take 17 days. Traffic will be maintained with a pilot car and flaggers.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
