**Presentation Focus:** The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT would like to learn more about how your team will address objectives of the project(s) and ensure a quality, efficient, and on-time project delivery. Examples: How you effectively communicate among multi-disciplined teams to complete their design tasks? How to best communicate with NDOT

management team on requesting or presenting information? What are your innovative ideas or processes for improved communication and design efficiency?

- Each firm should be prepared to answer a wide variety of Committee questions at the conclusion of their prepared presentation.

**Details:** Telephone interview will include up to a 10 minute prepared interview followed by up to 10 minutes of Q&A. Please name your presentation file ***Firm name\_RFQ-2102\_Interview\_Presentation.***
