- Slides must be in pdf format with each slide numbered.
- Please name your presentation submittal ***Firm name RFQ-2104 Presentation.pdf***.
- An email will be sent to each firm's project manager for the interview Webex connection. See RFQ for Evaluation Criteria.
- Please email a copy of your presentation (PDF format) to NDOT.pdRFQinfo@nebraska.gov by 9:00 a.m. on Thursday, April 22, 2021.

Presentation Focus: The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT would like to learn more about how your team will address the following:

- How you will Incorporate QA/QC to ensure project objectives are met with quality, efficiency, and on-time delivery?
- Discuss challenging inspections and repair work performed on complex bridges. Drone usage/leveraging technology? How/where would drone usage be feasible.
- Each firm should be prepared to answer a wide variety of Committee questions at the conclusion of their prepared presentation.
