

Short-List Consultant Interview Schedule

RFQ-2105: Statewide Fracture Critical Bridge Inspection and Load Rating

Date: Tuesday, May 4, 2021

Location: WebEx virtual meeting. Consultants will be brought into the meeting space at the times specified below.

Schedule:

Time	Firm
1:10 pm	Olsson
1:35 pm	JEO
2:00 pm	KMA
2:25 pm	HGM

Details: WebEx interview will include a 10 minute prepared interview (consultant controls presentation during online meeting) followed by 10 minutes of Q&A.

- Please email a copy of your interview presentation in PDF format to NDOT.pdRFQinfo@nebraska.gov by 11:00 a.m. on Tuesday, May 4, 2021.
- Please name your presentation submittal ***Firm name RFQ-2105 Interview.pdf***.
- An email will be sent to each firm's project manager with WebEx connection information.

Presentation Focus: The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT would like to learn more about how your team will address the following:

- How would you describe your QA/QC procedures?
- Discuss challenging Fracture Critical inspections and BrR load ratings of bridges.
- What innovative methods are being used to inspect FC Bridges?
- Each firm should be prepared to answer a wide variety of Committee questions at the conclusion of their prepared presentation.
