**FOR IMMEDIATE RELEASE**

## Maintenance Work Will Begin on S31B, Hildreth Spur

April 28, 2021 (McCook, Neb.) — Weather permitting, a crack seal project will begin May 3 on S31B, according to the Nebraska Department of Transportation. Crack sealing is a process of cleaning and filling open joints and cracks in the surface with sealant to prevent entry of moisture and debris.

State maintenance forces will be performing a crack sealing from reference post 0 to reference post 4.5, near Hildreth. The work is anticipated to take 5 days. Traffic will be maintained with a pilot car and flaggers.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
