Maintenance Work Will Begin on the Morning Glory Spillway and Outlet Tower on Kingsley Dam, US-61 near Ogallala

June 15, 2021 (North Platte, Neb.) — Weather permitting, Central Nebraska Power and Irrigation District will be repairing the Morning Glory Spillway and Outlet Tower on Kingsley Dam, project will begin June 21 on US-61, according to the Nebraska Department of Transportation.

This repair is between Central District Drive and Keystone Lake Road, 6 miles north of Ogallala. Anticipated completion is fall 2021. Roadway will be closed to one lane and controlled by traffic signals. Watch for temporary stop lights and expect delays. No over width vehicles allowed.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
