

Short-List Consultant Interview Schedule

RFQ-2108: On-Call Bridge Design & Repair Services

Date: Monday, July 19, 2021

Location: WebEx virtual meeting. Consultants will be brought into the meeting space at the times specific below.

Schedule:

Time	Firm
1:10 pm	Burns & McDonnell
1:35 pm	e.Construct
2:00 pm	HGM
2:25 pm	Olsson
2:50 pm	Wilson

Details: WebEx interview will include a 10-minute prepared interview followed by up to 10 minutes of Q&A. WebEx connection information will be emailed to each firm's contact/project manager at least one day prior to the scheduled start time.

Please email interview presentation slides in PDF format to NDOT.pdRFQinfo@nebraska.gov by 11:00 a.m. on Monday, July 19, 2021. Please name your interview slides ***firm name_RFQ-2108_Interview.pdf***.

Presentation Focus: The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT suggests the interview contains information such as the following:

- Describe unique, non-standard, or emergency bridge repair projects (not new or replacement bridges) your firm has done over the last few years.
- Tell us your firm's process when delivering a high-priority project with a tight turn-around schedule. What steps do you take to get a project agreement started quickly, and what are the most important areas to focus on during the project?
- Explain and give examples of your Quality Control/Quality Assurance process for a bridge repair project.
- Each firm should be prepared to answer a wide variety of Committee questions at the conclusion of their prepared presentation.
