

# Short-List Consultant Interview Schedule

## **RFQ-2109: On-Call Hydraulics & Hydrology**

**Location: WebEx virtual meeting.** Consultants will be brought into the meeting space at the times specific below. WebEx connection information will be emailed to each firm's contact/project manager at least one day prior to the scheduled start time.

**Schedule: Monday, August 23, 2021**

<b>Time</b>	<b>Firm</b>
8:40 am	Schemmer
9:05 am	JEO
9:30 am	MWA
<i>break</i>	
10:00 am	FHU
10:25 am	FYRA

**Details:** WebEx interview will include a 10-minute prepared presentation (firm may share screen/control presentation) followed by 10 minutes of Q&A.

Please email interview presentation slides in PDF format to [NDOT.pdRFQinfo@nebraska.gov](mailto:NDOT.pdRFQinfo@nebraska.gov) by 8:00 a.m. on Monday, August 23, 2021. Please name your interview slides ***firm name\_RFQ-2109\_Interview.pdf***.

**Presentation Focus:** The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT suggests the interview contains information such as the following:

- How has your firm transitioned from 1d to 2d modeling?
- Discuss culvert rehabilitation and energy dissipation strategies with a focus on your firm's use of unique strategies and solutions.
- Discuss long-term degradation of streams and creative scour mitigation experiences.
- Each firm should be prepared to answer a wide variety of Committee questions at the conclusion of their prepared presentation.
