FOR IMMEDIATE RELEASE

Maintenance Work Will Begin on N-61, Near Grant

January 3, 2022 (McCook, Neb.) — Weather permitting, a crack seal project will begin January 10 on N-61, according to the Nebraska Department of Transportation. Crack sealing is a process of cleaning and filling open joints and cracks in the surface with sealant to prevent entry of moisture and debris.

State maintenance forces will be performing a crack seal from reference post 68 to reference post 79, in Grant and north. The work is anticipated to take 10 days. Traffic will be maintained with a pilot car and flaggers.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
