FOR IMMEDIATE RELEASE

Maintenance Work Will Begin on N-66

June 27, 2022 (Lincoln, Neb.) — Weather permitting, a chip seal project will begin June 30 on N-66 from Valparaiso west to N-15, approximately 14 miles, according to the Nebraska Department of Transportation.

State maintenance forces will be performing a chip seal project on N-66, from reference post 47 to reference post 61. The work is anticipated to take five (5) days. Traffic will be maintained with a pilot car and flaggers. The speed limit will be reduced to 55 mph.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
