Work to Begin on N-15, Near Schuyler

June 27, 2022 (Norfolk, Neb.) — Weather permitting, work is scheduled to begin July 5 on N-15 from approximately two miles north of Schuyler to the N-15/N-91 junction, according to the Nebraska Department of Transportation.

Knife River Midwest of Sioux City, Iowa, is the co-contractor for this project. Work will include resurfacing the roadway, culvert and bridge repair. Traffic will be maintained with lane restrictions, temporary traffic signals, and flaggers. Anticipated completion is mid-June 2023.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and to put phones down.
