FOR IMMEDIATE RELEASE

Maintenance Work Will Begin on US-77, South of Beatrice

June 28, 2022 (Lincoln, Neb.) — Weather permitting, a chip seal project will begin July 1 on US-77, according to the Nebraska Department of Transportation. Chip seal is an application of an asphalt binder to a roadway surface followed by an aggregate.

State maintenance forces will be performing a chip seal from reference post 13.25 to reference post 20.5, for 7 miles. This will start south of Beatrice to the junction of US-77 and NE-112. The work is anticipated to take three (3) days. Traffic will be maintained with pilot car and flaggers.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
