

Disclaimer

MSS Requests are processed on a first come-first served basis. Requestors must be aware that the processing times within the Environmental Section's Roadside Development and Compliance (RDC) Unit and/or oversight agencies are different depending on: (1) the type and complexity of environmental commitments defined in each contract and (2) the complexity of the material site being reviewed.

This report is offered as a convenience and the user should be aware that the information contained is subject to change at any time and without warning. If you have any questions about the content of this report, please contact the NDOT Project Manager.

The information in this report is considered accurate as of Friday, August 5, 2022
