**FOR IMMEDIATE RELEASE**

## Bridge Joint Repair Work Will Begin on N-92, Near Yutan

August 5, 2022 (Lincoln, Neb.) — Weather permitting, a bridge joint repair project will begin August 15 on N- 92, beginning at mile marker 461, according to the Nebraska Department of Transportation.

Garcia-Chicoine Enterprises Inc. will be performing bridge joint repair on N-92 by Yutan. The work is anticipated to take five (5) days. Traffic will be reduced to one lane and maintained with traffic signal lights.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
