FOR IMMEDIATE RELEASE

Signal Repair Work Begins Today on US-6 and US-34 in Hastings

September 21, 2022 (Grand Island, Neb.) — Weather permitting, work will begin today on US-34/US-281 (Burlington Avenue) at the intersections of E Street, B Street, and South Street, according to the Nebraska Department of Transportation.

Work will include traffic signal repair and upgrade. The traffic signals will be turned off and stop signs will be placed on the side streets during construction. The signal at E street is scheduled to be turned off September 21 and the signal at B Street is scheduled to be turned off September 26. The signals at E Street and B Street are scheduled to be back in operation on September 28. The signal at South Street is scheduled to be turned off on October 3 and back in operation on October 6.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
