

Nomination deadline
JAN 10 | 2023

2019 Airport of the Year was Fremont Municipal Airport.

AIRPORT OF THE YEAR

INTRODUCTION

The NDOT Division of Aeronautics is requesting nominations for the **2022 Airport of the Year** award.

QUALIFICATIONS

To qualify for the award; the airport must be located in Nebraska and demonstrate how the airport benefits aviation in Nebraska by answering the questions provided in the form.

NDOT DIVISION OF AERONAUTICS

3431 Aviation Road, Suite 150, Lincoln, Nebraska 68524

NEBRASKA AIRPORT OF THE YEAR AWARD

NOMINATION FORM

3. What kind of educational programs were participated in (for example: visits by local school groups, visits to local schools, safety programs, etc.) and what new or improved educational activities occurred during the past year?
4. What is the relationship with the local flying or professional organizations (for example: EAA, NATA, NFFR, etc.) and what events or circumstances of note have occurred during the past year?

Community Support:

1. What kind of interrelationships are maintained with local governments (for example: height restriction or compatible land use zoning, funding from city or county, etc.)?
2. Describe the airport's relationship with civic groups (volunteers for airport activities, joint meetings, etc.)
3. Attach letters of support from community leaders and airport users.

NEBRASKA AIRPORT OF THE YEAR AWARD NOMINATION FORM

Maintenance & Development Activities:

1. How is preventative maintenance practiced at the airport (for example: types of maintenance, frequency, readiness of equipment, cleanliness, obstructions, etc.)?

2. Describe this year's construction activities and any planning that has been done for future improvements.

3. What is the airport's capability for handling weather related operations (for example: snow removal, Nav aids, erosion repair, airport closures, etc.)?

Innovative Activities:

1. What activities were proactively initiated to improve the airport (for example: awards, professional associations, new and better ways, etc.)?
