FOR IMMEDIATE RELEASE

US-30, Near North Platte, is Open

January 23, 2023 (North Platte, Neb.) — US-30 east of North Platte is now open, according to the Nebraska Department of Transportation.

KEA Constructors LLC, of Milford, Nebraska is the prime contractor.

The US-30 closure, and detour were necessary for ongoing construction work on the North Platte River bridge east of North Platte. This was the second of three planned detours for the construction project. Notifications for future detours will be made when those dates are set.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and to put phones down.
