FOR IMMEDIATE RELEASE

Work Scheduled on N-84 Near Bloomfield

March 17, 2023 (Norfolk, Neb.) —Weather permitting, work will begin the week of April 3, on the bridge spanning Little Bazile Creek Tributary, just east of Bloomfield and Norwegian Bow Creek bridge located approximately 11.75 miles east of Bloomfield on N- 84, according to Nebraska Department of Transportation.

Western Engineering of Council Bluffs, Iowa is the contractor for this project. Traffic will be maintained using temporary signals and flaggers. Other phases of work on this project will be culvert work, guardrail installation and asphalt overlay. Anticipated completion is fall 2023.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and to put phones down.
