4. Describe Method of Marking and / or Lighting: <p style="text-align: center;"><u>Met mast is painted with seven alternating bands of aviation orange and white, possesses two sets of orange marker balls on outer guy wires, and yellow guy guards on all guy wires at anchor points</u></p>																																			

Wind measurement towers in Nebraska exceeding a height of 50' outside the boundaries of any incorporated city or village are required to be registered with the NDOT Division of Aeronautics.

A separate permit is also required from the NDOT Division of Aeronautics before erecting / building any structure exceeding 150 feet above the surface of the ground at the point of installation, unless erected under the authority of a license or permit issued by a federal agency. See Nebraska Revised Statutes §3-401 et. Seq.
