FOR IMMEDIATE RELEASE

Railroad Maintenance to Begin on US-183 in Holdrege

January 23, 2019 (McCook, Neb.) — Weather permitting, railroad crossing maintenance will begin January 31 on US-183, in Holdrege, according to the Nebraska Department of Transportation.

US-183 will be closed at the railroad crossing located on the south edge of Holdrege. North and southbound US-183 traffic will be detoured. The detour will use US-6 and N-4, in both directions. The anticipated completion date for this project is February 1.

For questions regarding this project or the detour, please contact the BNSF Railroad. Motorists are reminded to drive cautiously through construction zones and when navigating detours.
