Maintenance Work on US-6/34, Minden to Heartwell

May 7, 2019 (McCook, Neb.) — Weather permitting, a chip seal project will begin May 20 on US-6/34, according to the Nebraska Department of Transportation. Chip seal is an application of an asphalt binder to the roadway surface followed by an application of aggregate.

State maintenance forces will be performing the chip seal from Reference Post 183.00 to Reference Post 191.00, Minden to Heartwell. The work is anticipated to take 10 days. One-lane traffic will occur with the use of a pilot car and flaggers. Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
