## FOR IMMEDIATE RELEASE

### Maintenance Work on N-15 Near Wilber

June 27, 2019 (Lincoln, Neb.) — Weather permitting, a chip seal project will begin July 8 on N-15, according to the Nebraska Department of Transportation. Chip seal is an application of an asphalt binder to a roadway surface followed by an aggregate.

State maintenance forces will be performing a chip seal from Reference Post 21 to Reference Post 33, ten miles west of Wilber. The work is anticipated to take four days. One-lane traffic will occur with the use of a pilot car and flaggers. Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
