June 27, 2019 (Omaha, Neb.) — Weather permitting, there will be various nighttime lane and ramp closures on I-480/US-75 between Martha St. and Harney St. beginning July 1 for approximately 2 months from 10:00 p.m. until 6:00 a.m. daily, according to the Nebraska Department of Transportation.

McGill Equipment Co. is the contractor on this project. These various nighttime lane and ramp closures are necessary for bridge pier improvements at Woolworth Ave., Leavenworth St. and St. Mary's Ave. The work consists of wrapping the existing concrete piers with fiber-reinforced plastic for protection and strength.

Motorists are urged to drive cautiously through construction zones.
