## FOR IMMEDIATE RELEASE

### Maintenance Work on N-14 From Petersburg to Elgin

July 23, 2019 (Norfolk, Neb.) — Weather permitting, a chip seal project will begin July 24 on N-14, according to the Nebraska Department of Transportation. Chip seal is an application of an asphalt binder to a roadway surface followed by an aggregate.

State maintenance forces will be performing a chip seal from Reference Post 136 to Reference Post 145, from Petersburg to Elgin. The work is anticipated to take two days. One-lane traffic will occur with the use of a pilot car and flaggers. Motorists should expect to see reduced speed, delays and are reminded to drive cautiously through highway work zones.
