## FOR IMMEDIATE RELEASE

### Maintenance Work on N-61 Near Enders

August 13, 2019 (McCook, Neb.) — Weather permitting, a cold milling and armor coating project will begin August 21 on N-61, according to the Nebraska Department of Transportation. Cold milling is a process of removing deteriorated asphalt in preparation of placing an armor coat to improve the roadway surface and drivability.

State maintenance forces will be performing the cold milling and armor coating from Reference Post 12.00 to Reference Post 19.00, Indian Creek north and Reference Post 27.00 to Reference Post 31.00, Enders south. The work is anticipated to take several weeks. One-lane traffic will occur with the use of a pilot car and flaggers. Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
