## FOR IMMEDIATE RELEASE

### Various Lane Closures on N-1 between Murray and US-34/75

August 14, 2019 (Omaha, Neb.) — There will be various lane closures on N-1 between Murray and US-34/75 beginning Monday, August 19 until fall 2020, according to the Nebraska Department of Transportation.

Graham Group (US) Inc. is the contractor on this project. This work includes pavement and viaduct reconstruction and will be performed under traffic with phased construction via temporary widening to maintain 2 lanes of traffic from the viaduct to US-34/75. The viaduct (bridge) will be reduced to a single lane with temporary traffic signals beginning March 2020. Traffic will be delayed during this phase of the project at the viaduct traffic signal.

Motorists are urged to drive cautiously through construction zones, along detours and selected alternate routes.
