FOR IMMEDIATE RELEASE

Maintenance Work on N-61 near Imperial

September 4, 2019 (McCook, Neb.) — Weather permitting, a cold milling and armor coating project will begin September 11 on N-61, according to the Nebraska Department of Transportation. Cold milling is a process of removing deteriorated asphalt in preparation of placing an armor coat to improve the roadway surface and drivability.

State maintenance forces will be performing the cold milling and armor coating from Reference Post 41.00 to Reference Post 48.00, Imperial North. The work is anticipated to take approximately 2 weeks. One-lane traffic will occur with the use of a pilot car and flaggers. Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
