FOR IMMEDIATE RELEASE

Work to Begin on N-10, Pleasanton South

September 9, 2019 (Grand Island, Neb.) — Weather permitting, construction work will begin September 16 on N-10 south of Pleasanton, from Reference Post 65.46 to Reference Post 75.84, according to the Nebraska Department of Transportation.

Werner Construction, of Hastings, Nebraska, has the \$7,775,200 contract. Work will include grading, asphalt patching, milling, asphalt paving, surfaced shoulders, culvert work, flumes, bridge repairs, guardrail improvements and seeding.

Traffic will be maintained on N-10 with the use of flaggers and a pilot vehicle. At the bridge locations near Pleasanton, temporary traffic signals will be used to maintain one lane of traffic. The speed limit will be reduced to 35 mph on the bridge with an 11-foot width restriction, which will be in place for the duration of the bridge repairs. Anticipated completion is November 2020.

Motorists are asked to use caution when driving in and near construction zones and to expect delays.
