FOR IMMEDIATE RELEASE

Work to Begin on N-21, Lexington North Bridge

September 9, 2019 (North Platte, Neb.) — Weather permitting, work will begin September 9 on N-21, north of Lexington at Reference Post 32.28, according to the Nebraska Department of Transportation.

Van Kirk Sand and Gravel, Inc., of Sutton, Nebraska has the \$499,434 contract. Work includes removal of existing bridge, construction of a box culvert, concrete pavement and grading. The box culvert will be constructed in phases. During phase II construction of the box culvert, traffic will be detoured to a temporary road.

Traffic will be maintained utilizing temporary traffic signals, and a 12-foot width restriction will be in place for the duration of the project. Anticipated completion is December 2019.

Motorists are reminded to drive cautiously in and near construction zones and to expect delays.
