

ACI/CRSI Adhesive Anchor Installer – Quick Reference Guide

In order to meet requirements, **field personnel** will create a daily work report (DWR) record and document the ACI/CRSI Adhesive Anchor Installer.

DWR Template:

CNST07001H, ACI/CRSI Adhesive Anchor Installer

Instructions:

- Create the DWR
- Select related work items
- Input location data
- Select DWR template
- Select the Adhesive Anchor Installer from the drop down on the Adhesive Anchor Installer template

The screenshot shows a software interface for the 'Adhesive Anchor Installer' template. The title 'Adhesive Anchor Installer' is displayed in the top left corner. Below the title is a white rectangular input field with a small downward-pointing arrow on its right side, indicating a dropdown menu. In the top right corner, the text 'Template ID: CNST07001' and 'Version: 20190522' is displayed. The background of the interface is a light gray color.
