

# District 5 Program Presentation

Doug Hoevet, PE  
District Engineer

NEBRASKA

Good Life. Great Journey.

---

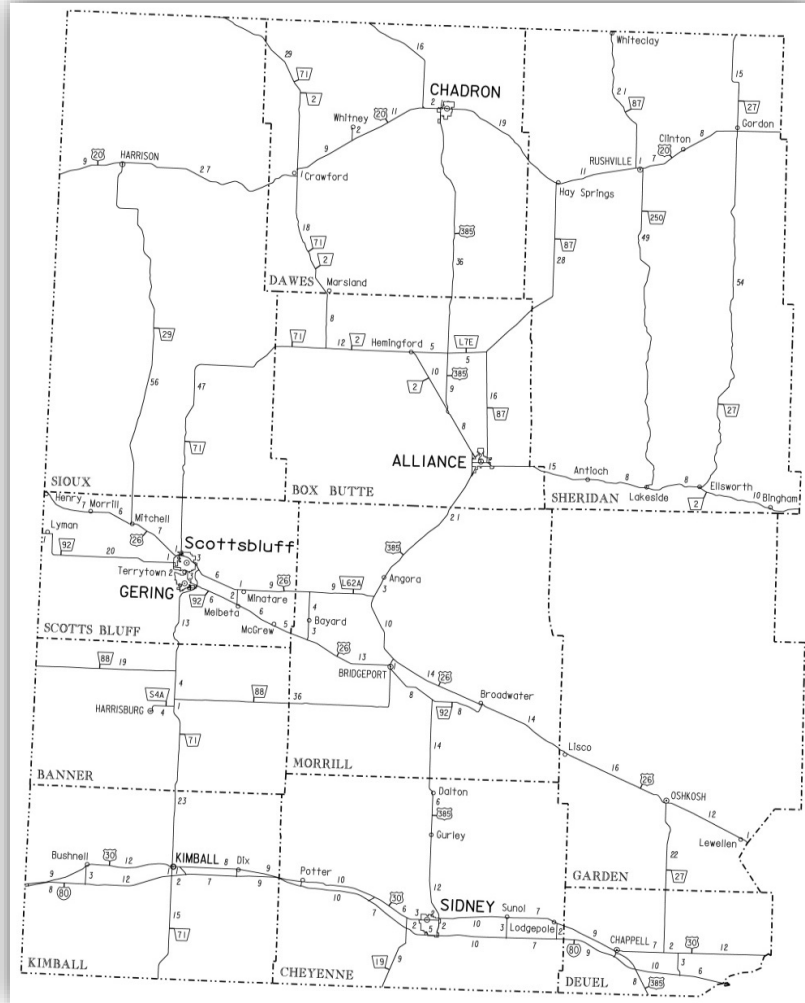

DEPARTMENT OF TRANSPORTATION

**Welcome to District 5**

# Introduction to District 5

- 11 Counties
- Highway Miles
  - Interstate 102
  - Expressway 75
  - Others 1070
- Lane Miles: 2900
- 174 Bridges
- 11 yards
- 145 employees

# Our Mission is to Serve

- **For our projects:**
    - Quality project selection: Maximizes taxpayer value
    - Thoughtful project scope: Maximizes user benefit
    - Quality Materials and Techniques: Maximizes project lifespan
  - **For our existing assets:**
    - Comprehensive maintenance strategies: Sustain our investment
    - Critical reviews: Improves consistency through expectations
  - **For our customers:**
    - Push and pull information for safety, awareness and information exchanges
  - Clarity of purpose provides certainty
- 

# District Maintenance

NEBRASKA

Good Life. Great Journey.

DEPARTMENT OF TRANSPORTATION

# Maintenance Operations: The Objects

- Dozens of buildings and sites to maintain
- A fleet of:
  - ~100 light vehicles
  - ~80 heavy trucks
  - Loaders, graders and other support equipment
- Dozens of Intelligent Transportation units:
  - Changeable message boards
  - Portable message boards
  - Closure gates, camera sites, RWIS sites
- Dozens of afterhours emergency responses:
  - Crashes, Flooding, Road closures, Bridge repairs, Snow removal, Fires, highway cleanups, etc.

# Maintenance Operations: The Work

- District 5 Annual Maintenance Program
  - Armor Coating: 110 miles
  - Ongoing Maintenance Patching
  - Crack sealing
  - Mowing: 6000 acres/pass
  - Striping: ~3000 lane miles
  - Winter Plowing: 100+” snowfall
- Coordination of staff, equipment and training
- Review of cash positions and projections on expenditures, to work within our budget

# District Construction

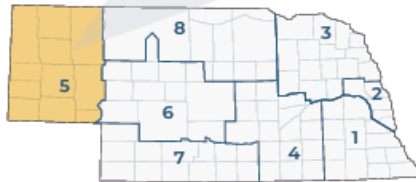

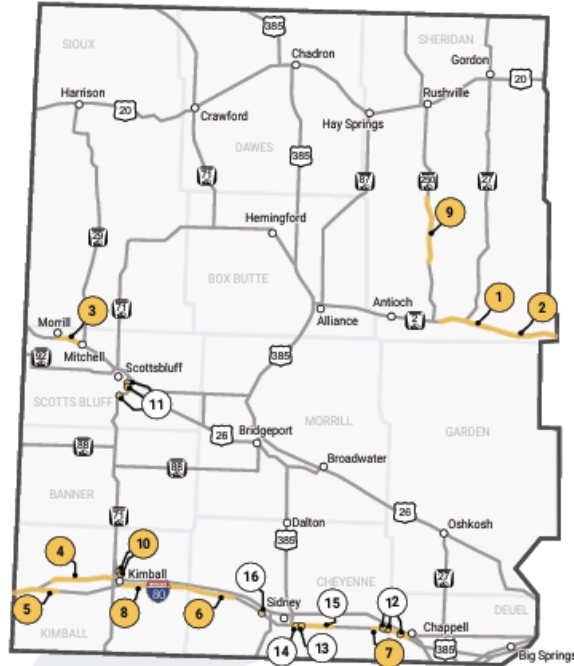

NEBRASKA

Good Life. Great Journey.

DEPARTMENT OF TRANSPORTATION

# 2025 Construction Projects Update

## District 5

Project Location

### TRAFFIC IMPACTS LEGEND

- Lane Closure(s)
- Ramp Closure(s)
- Flagger(s)

Not to scale. Reflects only ongoing and current construction projects with significant travel impacts. Information is current as of March 2025 and is subject to change.
