FOR IMMEDIATE RELEASE

Bridge Closure on US-136, Near Brownville

July 17, 2023 (Lincoln, Neb.) — Weather permitting, work will begin July 24 on US-136, from reference post 240 on the Missouri River Bridge, according to the Nebraska Department of Transportation.

Phillips Hardy Inc., working with the Missouri Department of Transportation, is completing the work on this project. The work will require the bridge be closed to all traffic. The bridge will remain closed until August 13. See attached detour map.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and to put phones down.
