FOR IMMEDIATE RELEASE

Work will begin on N-46 near Oxford

Dec. 22, 2025 (McCook, Neb.) – Weather permitting, a crack sealing project will begin Jan. 1, 2026 on State Highway 46 (N-46), according to the Nebraska Department of Transportation. Crack sealing is a process of cleaning and filling open joints and cracks in the surface with sealant to prevent the entry of moisture and debris.

State maintenance forces will be performing crack sealing from reference post 0 to reference post 6, beginning at the junction of N-89 and N-46 to mile marker 6 on N-46. The work is anticipated to take 10 days. Traffic will be maintained with a pilot car and flaggers.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
