Please email interview presentation slides in PDF format to NDOT.pdRFQinfo@nebraska.gov by 9:00 am on Friday, July 12, 2024. Please name your interview slides ***firm name_RFQ-2411 Interview.pdf***.

Presentation Focus: The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT suggests the interview contains information such as the following:

- Discuss collaboration/interaction of the proposed staff with NDOT at the program and project level.
- Discuss challenges of guiding NDOT with building the Alternative Delivery program and how will your team support NDOT in overcoming these challenges.
- Describe your approach to implementing NDOT's program and how to measure its success.
- Discuss engagement with the construction industry and the approach to education to foster successful implementation of the program.
- Discuss the alignment of the components of a project's lifecycle.
- Each firm should be prepared to answer a wide variety of Committee questions at the conclusion of their prepared presentation.
