

Short-List Consultant Interview Schedule

RFQ-2406: Ames Avenue Safe Mobility Recovery Plan PEL Study

Date: Monday, April 29, 2024

Location: **WebEx virtual meeting.** Consultants will be brought into the meeting space at the times specific below. WebEx connection information will be emailed to each firm's contact/project manager at least one day prior to the scheduled start time.

Schedule:

Time	Firm
2:05 pm	FELSBURG HOLT & ULLEVIG
2:45 pm	JEO CONSULTING GROUP, INC.

Details: WebEx interview will include a 20-minute prepared presentation (firm may share screen/ control presentation) followed by 10 minutes of Q&A.

Please email interview presentation slides in PDF format to NDOT.pdRFQinfo@nebraska.gov by 1:00 p.m. on Monday, April 29, 2024. Please name your interview slides ***name_RFQ-2406 Interview.pdf***.

Presentation Focus: The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT suggests the interview contains information such as the following:

- Provide a specific example and describe how your firm would apply the safe systems approach on this corridor.
- Provide an overview and walk through experience in conducting Planning and Environmental Linkage studies and how does your approach to the PEL study set you apart from other consultants.
- Discuss prior experience with public communication conveyed in non-traditional means for communities that may not be fully engaged with traditional forms of communications.
- Describe how you would message safety enhancements as additions to a community that may perceive signal removals, roundabouts, road diets, etc. as taking something away from a community or neighborhood.
- Each firm should be prepared to answer a wide variety of Committee questions at the conclusion of their prepared presentation.
